www.linkedin.com/in/marcus-a-hayes

Software Engineer with 5+ years of industry experience and bachelor's degrees in Computer Science and Economics.

Designs, develops, tests, and supports scalable services and AI-enabled applications in Agile/Scrum environments.

Passionate about continuous learning and finding elegant solutions to complex problems

EXPERIENCE

CISCO SYSTEMS, INC – Research Triangle Park, NC

Multinational tech conglomerate focused in AI infra, networking, and cybersecurity solutions

Software Engineer (Enterprise AI Platforms and Infrastructure)

Jan 2022 – Present

- Enabled AI domain orchestration across cloud service offerings.
- Introduced an account-syncing service used across 6 offerings, ~6k+ teams, ~235k+account mappings.
- Implemented and maintained full-stack applications for enabling cloud service provider offerings.
- Integrated a standardized MELT framework across 3+ deployed applications, improving observability and service reliability.

Software Engineering Intern (Core Finance IT, Infrastructure and Container Services)

May 2021 – Aug 2021

- Developed a monitoring application to audit approximately \$200M in transaction data daily, supporting daily transaction oversight across Core Finance IT.
- Designed and deployed an ML-powered chatbot that generated process-execution-time predictions.
- Containerized and deployed UI of a legacy sudo-access request application.

May 2020 – July 2020

SENSING EMOTIONS AND KNOWLEDGE GROUP (SEKG) – Barcelona, Spain

Technology startup specializing in cloud-based user experience and playtesting analytics

Software Development Intern

Jan 2020 – Mar 2020

- Authored informational articles detailing effective methods for communicating play-test feedback.
- Developed audio processing functions based around the FFMPEG API.

EDUCATION

UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL

Aug 2018 – Dec 2021

Computer Science, B.A. & Economics, B.A. | GPA 3.67

- Active member of Scale & Coin Business Society and UNC Affordability Committee
- Studied abroad in Barcelona in Spring 2020
